

# Purchasing Berliner Has Never Been Easier!

Our BuyBoard contract allows you to purchase Berliner equipment without the necessity to go through the tedious bid process. Not only does purchasing through BuyBoard save on time. It also ensures preferred pricing and it eliminates the risk to see the desired playground equipment substituted by low-bid/low-quality alternatives.

## BuyBoard Overview

The BuyBoard is an online purchasing cooperative that gives its customers (members) access to thousands of items that have gone through a competitive procurement process. Developed to comply with state laws which require government entities to make purchases from an approved list of vendors who have gone through a competitive procurement process, BuyBoard gives districts the advantage of leveraging the cooperative's ability to obtain bulk discounts, combined with the ease of online, web-based shopping and ordering.

## Eligibility

Eligible governmental entities include cities, community colleges, counties, municipalities, public universities, school districts, towns, villages and other local government agencies.
